Product Name: **ACTINA**

Description: Naturally occurring biochemical mixture derived from an aquatic ecosystem and stabilized by the addition of 0.1% Hydrochloric acid

Section 1: Identity

Manufactured by: Medina Agriculture Products Company, Inc., PO Box 309, Hondo, Tx. 78861, USA
Phone: 830-426-3011 / Fax 830-426-2288

Section 2: Hazardous Ingredients/Identity

This product contains no components of a hazardous nature.

Section 3: Physical/Chemical Characteristics

Boiling Point: 212°F	Specific Gravity: 1.050
Vapor Pressure: 17mm Hg	% Volatile by volume: N/A
Vapor Density: Not Applicable	Appearance and Odor: Blue green with no odor
Solubility in water: 100%	pH: 4.0

Section 4: Fire and Explosion Hazards

Flash Point: Non-Flammable	Extinguishing Media: All
Method Used: All	Special Fire Equip: None

Section 5: Reactivity

Stability: Stable	Hazardous Polymerization: None
Incompatibility: Strong base products	Hazardous Decomposition: None

Section 6: Health Hazards

Ingestion: Slight irritation
Eye Contact: Slight irritant. Promptly flush, continuing for 15 minutes.
Skin Contact: Slight irritant. Get medical attention if irritation persists.
Always call a physician if symptoms appear or persist.

Section 7: Spills, Leaks, and Disposal

If spilled, contain, mop or vacuum. Pour into sewer system as shown on label.

Section 8: Special Handling Information

Ventilation: None required
Protective devices: Rubber gloves and goggles
Precautions to be taken in handling and storage: Do not freeze - container may rupture. Material may be stored outside.
Other: Avoid skin and eye contact

This information is presented in good faith; however, no warranty, expressed or implied is made.
